

Public Health Committee  
Connecticut General Assembly  
Legislative Office Building 3000  
Hartford, Ct 06106

Dear Committee Chair,

I write you today as Executive Chef of Wee Burn Country Club and also as a member of Club Chef's of Connecticut. It is my hope that the committee passes SB No. 590 at the hearing on Friday February 20, 2015. The art of sous vide is widely used throughout the country by culinary professionals who strive to provide the highest quality dining experiences. With the approval of this bill on Friday the food and beverage industry will benefit from this successful practice.

Sincerely,  
Robert Blakeslee
